SSAA QUEENSLAND RIFLE METALLIC SILHOUETTE **NEWSLETTER SEPTEMBER 2021**

GREETINGS ALL,

Just a quick note to let everyone know what's coming up before the State Championships in a few weeks.

2021 SSAA QLD RMS CHAMPIONSHIPS- will be held at SSAA Townsville 1-4 October 2021. The Friday is practice day and competition over the next 3 days. The flyer has been out for a while, so get your nominations in and don't forget to request a delegates letter from your home Branch.

AGENDA ITEMS- The discipline meeting will be held on the Saturday after competition. There has been only one agenda item received. It is attached to this newsletter.

BRANCH DELEGATE LETTERS- Once again- Branch delegates must supply written accreditation from their Branch Management - this can be emailed prior to the meeting or presented in letter form at the meeting. All Branches with attending competitors are encouraged to supply a member they support with a delegates letter.

2021 SSAA QLD Rimfire RMS Postal- This year has been somewhat disjointed, so to give us all something we enjoy to do, I propose to run a 40 shot Rimfire RMS postal match to be shot between the 1st of August 2021 and the 5th of October 2021- so the State Championships will be in it.

Score sheets showing Name, Grade, Branch and age if a Junior or Veteran with each shot - hit or miss - can be emailed or posted to me.

There will be certificates for the first 3 Places in each Grade as well as Veterans and the 2 classes of Juniors.

Needless to say the postal must be shot at a Branch Event and the Rule Book scrupulously followed.

Attachments - Agenda item from SSAA Townsville:

Enough from me. I hope to see many of you in Townsville, and to be stunned by your scores in the Postal.

Greg Riemer
SSAA Qld RMS Chairman.
